Avington Park is a magnificent Palladian mansion set in its own parkland grounds, offering exclusivity in the most peaceful surroundings, on the River Itchen. Some of the rooms are most beautifully painted and gilded while others are less ornate in trompe l'oeil. The house is available for corporate events, conferences and promotions. Both the house and T bar are open on Sundays and Bank Holiday Mondays, May to September and Mondays in August from 2.30pm to 5.30pm.
